# Important Notes

*We would like to point out some important information about using our vans.*

## Breakdown Repair Reimbursement

These vans all come with a 50:50 Breakdown Repair Reimbursement included in the price. Gold vans have a 20,000km 50:50 Breakdown Repair Reimbursement, Silver is 10,000km, Bronze is 1,000km. Our Toyota Hiace and Toyota Liteace vans also have a 20,000km 50:50 Breakdown Repair Reimbursement included.

With our Breakdown Repair Reimbursement it means when you drive off from picking up your van, if it breaks down within a set distance of km then we will reimburse you for 50% of the repair costs. Remember we want to buy back every van we sell so we do not expect you to have any problems but just in case you do, this can give you peace of mind.

## Pick-up

Pick up is from Tauranga, a great place to begin your New Zealand adventure. You can get here via bus from Auckland or have your flights link up to Tauranga airport.

We can pick you up from the bus station. Tauranga is 10 minutes from beautiful white sandy Mount Maunganui beaches and scenic bush walks. Rotorua and Hobbiton are only a short drive away.

Our customers pick up and also return the van to us here in Tauranga and they do a round trip which works out to be a logical way to see New Zealand.

## Drop-off

Vans must be returned to Tauranga unless prior arranged. The only other option is for us to arrange a special drop off just outside of Christchurch but that option costs NZ\$960. We do however have a few older vans that you are free to on-sell and not sell back to us if you rather do it that way. If you want to drop off the van at Christchurch then the fee is \$960 on top of prices stated above for the vans.

## Rego, WOF & Insurance

All our vans come with a valid registration and valid Warrant of Fitness (WOF). We can help you with insurance. For your budgeting insurance should cost around only NZ\$70-90 per month depending on your age. Insurance is one thing you will save a lot of money on compared to renting a van.

## Interior of the vans

All our vans are in good condition. Please see info below for more info about the interior.

### Beds

Our vans have a comfortable double bed (1.9m x 1.35m wide) which can be folded back to allow seating inside the van. Our vans come with a loan of a quality foam mattress, mattress protector, and curtains which must be returned with your van.

### Linen

In order to provide new linen for each van we charge NZ\$100 for a linen pack which includes duvet and duvet cover, fitted sheet, two pillows, and pillow covers. If you would rather, we have good condition, previously used linen available for a NZ\$50 fee to offset cleaning costs.

### Camping equipment

Similarly we can provide a new set of camping equipment (chairs, table, plates, cutlery, cooker stove, pots, a frying pan, tea towels) for NZ\$100 or a previously used set for a NZ\$50 fee to offset cleaning costs.

The linen pack and camping equipment is being purchased and so you are welcome to on-sell it or give it away when you have finished your travels. We also have a few low-cost 24l cooler boxes for NZ\$90.

# Make your reservation

You can reserve a van for your Kiwi Road Trip with a NZ\$500 deposit. To do so please email Kiwi Road Trips at [info@kiwiroadtrips.nz](mailto:info@kiwiroadtrips.nz) with the following information and we will send you a booking deposit invoice:
